

Cuyahoga Community College Profile

- 3 main campuses, 2 satellite sites, and several off-campus sites
- Fall Enrollment > 26,000
- Recent reorganization of Admission & Records Offices creating one central Enrollment Center.

Status of the XMLTranscript Process

- Initiated in response to state mandate
- Co-Sponsors: A&R Director and District Director for Articulation & Transfer – both from Western campus
- Banner SIS on version 7.2
- Recently implemented the DARS bridge to Banner
- Implementation of Credentials Transcript Services in progress

Progress among 2-Year Colleges

- Of the 4 largest, 2 are actively testing with partner institutions
- Of the 19 other, 3 have made progress, 6 have projected dates for completion benchmarks, 10 have no activity
- Difficulty in garnering required technical support, lack of expertise or ability to establish this project as a priority

Challenges

- Business Redesign for Transcript Services
 - Electronic vs. Paper Transcripts
 - Status of Student Record
 - Tracking of Processed Transcripts
- Business Redesign for Processing Transfer Credit
 - Review Incoming Files
 - Create Links to Imaging System
 - Disposition of non-matched Records
 - Tracking of all Incoming Transcripts

Opportunities

- Eliminate cost of mailing transcripts
- Save time in delivery of transcripts
- Automate the evaluation of transfer credits
